Core Modules

## **WallPost Software's objective is to deliver the following results:**

- Automate the company's policies, procedures, and processes
- Assist in the company's formulation of rules, regulations and processes
- Increase staff engagement and retention
- Measure performance and staff appraisal
- Identify problems before their onset

# Outsourcing

Services

## Outsourcing Professional Services

**itialuS** provides clients with a start-to-finish outsourced professional service that utilizes the best technology.

## Our clients have varying requirements for their outsourcing needs including:

- Businesses that do not need an in-house finance or HR team, but still require accurate reporting and decision-making in a timely manner
- Owners and managers who have in-house bookkeeping or HR operations, but wish to reduce costs by automating most of their financial and HR functions using new technologies
- Business owners who prefer having finance and HR services provided for them at cost-effective rates instead of handling the responsibility and cost of in-house teams
- Consultants operating their businesses with minimal resources and wishing to free up some time

Our team has years of experience in providing professional and tailored outsourcing services according to each client's needs, ranging from subsidiaries of overseas parent companies to owner-managed businesses.

Our outsourcing service solutions allow our clients to focus on managing their core business with ease and confidence through automated, regular, and robust reporting at reduced costs.
